## USPS National Dog Bite Awareness Campaign, June 2–9, 2024

Don't let your dog bite the hand that serves you. (**#dogbiteawareness**)

Sponsored by the United States Postal Service®, the National Dog Bite Awareness Campaign is a public service campaign that offers safety tips and emphasizes the need for increased owner responsibility in the prevention of dog attacks.

The Postal Service™ reports that dog attacks are the most prominent threat to carriers. Last year, over 5,800 Postal Service employees were victimized by dogs. This is why we are asking you to restrain your dog when your carrier is delivering your mail.

Many of us are dog lovers, but few of us are dog experts. People who have friendly pets often expect a friendly reaction from other dogs. However, even friendly dogs will bite given the right circumstances. Dogs are primarily territorial in nature and protective of their owners and their owners' property, which can sometimes mean attacking and possibly biting the letter carrier.

Make sure your dog is in a location away from the door when the mail carrier comes to your house. If you go outside, close the door behind you to make sure your dog doesn't get out. If you are outside with your dog while mail is being delivered, make sure your dog is away from the mail carrier and on a leash.

The tools available in this kit and online will help promote awareness of this public health concern in an effort to reduce the number of adverse interactions with our letter carriers in local communities. Be sure to contact the field communications professionals listed in this kit when promoting this initiative.

### Dog Bite Awareness Background and Tips

#### *The Victims*

- Letter carriers getting bitten by dogs is a real problem. All it takes is just one wrong interaction or movement for our carriers to be injured.

#### *How to Avoid Being Bitten*

- Don't run past a dog. The dog's natural instinct is to chase people who run.
- If a dog threatens you, don't scream. Avoid eye contact. Try to remain still until the dog leaves, and then back away slowly until the dog is out of sight.
- Don't approach a strange dog, even one that is leashed or confined.

- If a dog is about to attack, try to place something between yourself and the dog, such as a satchel, backpack, or bicycle.

#### *How to Be a Responsible Dog Owner*

- Obedience training can teach dogs proper behavior and help owners control their dog in any situation.
- When a letter carrier comes to the home, keep dogs:
  - Inside the house or behind a fence.
  - Away from the door.
  - In another room.
  - On a leash.
- Dogs can be protective of their territory and may interpret the actions of letter carriers as a threat. Take precautions when accepting mail in the presence of your pet.
- Pet owners should remind children not to take mail directly from a letter carrier as the dog may view the carrier as a threat to a child.

### Dog Attack Prevention Tips for Mail Carriers — How to Help Prevent Dog Attacks

Protect yourself by doing the following every day:

1. Carry dog repellent.
2. Update dog warning cards, if necessary. The safety of your coworkers starts with you.
3. Take messages on your Mobile Delivery Device (MDD) seriously when you receive an alert about hazards, such as dogs, on your route.
4. Report any dog incidents on your route (e.g., close calls) to your supervisor. An “almost bite” today could be a “bite” tomorrow.

Remember these simple rules:

1. If approached by a dog, resist the impulse to scream and run away. Running will trigger a chase response.
2. Remain still, place your satchel between you and the dog, and avoid eye contact with the dog.
3. Once the dog has calmed down, back away. Do not turn your back on a dog because a fearful dog may unexpectedly bite.

Be aware of your surroundings to protect yourself:

1. Stay alert at all times:
  - a. Observe the area carefully.
  - b. Don't wear earbuds or Bluetooth devices that could affect your ability to hear what is going on around you.
  - c. Be aware of common places dogs may hide (e.g., under parked cars, under hedges, or on porches).
  - d. Rattle the gate before entering a fenced-in yard.
  - e. Place your foot against an outward swinging door when making a delivery to a customer at the door.
  - f. Refrain from handing mail to a customer or child if a dog is present.
2. If you encounter a dog:
  - a. Never assume that a dog won't bite, even if it has been friendly in the past. Any dog can bite.
  - b. Always keep your eye on the dog. Dogs are more likely to bite when you aren't looking.
  - c. Never startle a dog. If it is asleep, make some kind of non-startling noise, such as a soft whistling, or call its name if you know the dog. Do this before getting close to the dog to ensure time and space for an “out.” Never reach out and pet the dog.

- d. Stand your ground. Turn and face the dog. Hold something in front of you, like your satchel, and back away slowly to ensure you don't stumble and fall. Never turn and run!

- e. Always keep at least one full can of dog repellent spray within reach. If a dog attacks, use the repellent to protect yourself. Before going on your route, make sure your can has not expired.

3. Use these preventative measures:

- a. No one likes a surprise. Fill out a Dog Warning Card for your route, so the information can be entered into the system and sent via MDD.

- b. Notify your supervisor that there is an unresolved dog hazard that makes you fearful on the route.

## Information for Postal Managers

### Progressive Warning Letters and Management Information

This section offers materials for supervisors to help carriers safely perform their jobs. Use the progressive warning letters to alert dog owners to the possible loss of mail delivery if they do not restrain their pets. Also, don't forget to send a letter of thanks when they do!

Warning letters, like collection letters, need to be handled tactfully. The first and second sample letters on the website tell customers what to do. The third tells them the Postal Service has taken corrective steps. The fourth and fifth letters detail customer options. Keep in mind that the purpose is not to police the neighborhood, but to ensure a safe environment for carriers to do their work. Though most customers will respond to the first polite request, be sure to follow up if they don't. Management in associate offices can help drive down dog bites by taking these actions:

- Verify that dog warning cards are placed in carrier cases for addresses with known dogs.
- Enter dog warnings into the Regional Intelligent Mail Server.
- Verify that carriers have dog spray and satchels at all times.
- Train carriers how to react to dog attacks using service talks and videos from Safety resources.
- Provide sample dog letters for customers, dog bite prevention talks, and safety videos. These and other resources are available in the Safety Health Management Tool (SHMT) and in *MyHR/Workplace Safety/Prevention/Dog Bite*.

### **Mail Suspension Policy**

Collection and delivery service personnel must report the name and address of the customer where animal interference occurs to the postmaster or authorized supervisor, who must immediately telephone the customer and request that the animal is confined during the usual neighborhood delivery hours. The postmaster or authorized supervisor must further inform the customer that:

- No deliveries will be made until this is done; and
- Service will be restored once assurance has been given that the animal will be confined during regular delivery hours.

### **Dog Owner's Responsibility**

It is the owner's responsibility to control his or her dog. Most communities have ordinances for the control of dogs. Though postmasters frequently request that customers control their dogs or face discontinued service, injuries still occur.

### **Additional Resources**

In addition to this kit and online materials, a number of resources are available to help educate employees, customers, and the entire community about the importance of dog bite prevention. While the Humane Society of America is not an official partner during this year's National Dog Bite Awareness Week campaign, they are always willing to help organizations that promote safety around animals.

### Four Tips for Preventing Dog Attacks on Mail Carriers

Can you picture a member of your family attacking a mail carrier? Of course not, but it happened over 5,800 times last year across the nation.

“I was bit by a dog on my leg recently and my mail satchel helped protect me,” said Francisco Juarez, a letter carrier who delivers in Houston, TX. “The sound of a dog barking while on my route puts me on high alert and I try to be ready to protect myself.”

Juarez recognizes the importance of the safety training he’s received as a letter carrier to help protect himself from dog attacks while delivering the mail. Even though he diligently follows dog bite safety protocols while on his route, he was still attacked by a dog.

When a dog attacks a letter carrier, the dog owner could be held liable for all medical expenses, repayment of lost work hours, replacement of the uniform and other costs, which can run into thousands of dollars. The Postal Service makes the safety of its employees a top priority and dedicates a week each year to Dog Bite Awareness.

Here are four simple tips to prevent dog bite injuries year round:

**Door Delivery:** If a carrier delivers mail or packages to your front door, place your dog in a separate room and close that door before opening the front door. Some dogs push through screen doors or plate-glass windows to attack visitors. Dog owners must keep the family pet secured. Never let your child take mail directly from carriers in the presence of the family pet, as the dog may see this as a threatening gesture.

**Restrain Your Dog:** Carriers may assume, if they see no physical fence around a property, that the property is animal-free. This can be a dangerous mistake. Postal Service officials request that you keep your dog restrained or inside when the mail is delivered. Although the electronic fence may keep your dog from wandering, it does not protect your carrier, who must enter your property to deliver the mail. Even homes with curbside mailboxes may have oversized packages or signature-needed items that require the carrier to approach a doorstep and cross the boundaries of the electronic fence. This poses a serious risk to carrier safety.

**Dog in the Yard:** Make sure your dog is properly restrained on a leash and away from where your mail carrier delivers the mail. If the carrier deems a residence unsafe because of an unrestrained dog, mail delivery service can be interrupted. When service is interrupted at an address or in a neighborhood, all parties involved will have to pick up mail at their local Post Office. Service will be restored once assurance has been given that the animal will be confined during regular delivery hours.

**Tracking:** Dog owners who have access to postal notification features, such as Informed Delivery ([informeddelivery.usps.com](https://informeddelivery.usps.com)) for letter mail and package tracking, are urged to use these features to determine when the carrier is on their way and to ensure their dog has been properly restrained. Expecting a postal package delivery on Sunday? Postal officials urge dog owners to restrain their animals on Sundays as well, since more residences now receive deliveries throughout the weekend.

### Letter to the Editor

Publication Name  
Street Address  
City, State and ZIP Code

Dear Editor,

Did anyone bite you at work today?

On average, nearly 15 mail carriers per day will say, "Yes."

Postal Service officials report that in 2023, over 5,800 letter carriers experienced dog bites or dog attacks. With deliveries every day, including Sundays and holidays, carriers continue to experience dog bites in urban, suburban and rural settings.

Dog attacks and bites are 100 percent preventable when dog owners remain vigilant and properly restrain their dogs.

To ensure mail carriers' safety, dog owners must securely lock their dog in another room until a delivery exchange is done. If a dog is outside, the dog must be leashed away from the mailbox.

When a carrier feels unsafe, mail service could be interrupted, not only for the dog owner, but for the entire neighborhood. When mail service is interrupted, mail must be picked up at the Post Office. Service will not be restored until the dog is properly restrained.

With your help, we can keep our carriers, your neighbors and your dogs safe. Thank you for protecting your pet and our mail carriers as we continue to bring packages and other important correspondence to your door each day.

Sincerely,

## General Letters to Customers (English and Spanish)

### Expressing Concern (English)

Dear Postal Customer:

Your letter carrier takes pride in delivering your mail promptly and efficiently. That means being able to approach your mailbox without interference from your pet.

Although your dog may not be known to bite or otherwise be dangerous to people, your carrier has expressed concern about its behavior. I believe you will agree this concern is understandable, since thousands of letter carriers receive bites or other physical harm from dogs each year. Many of these attacks result in serious injury.

This letter is to inform you that we are concerned your dog may have a tendency to attack, bite, or otherwise injure your letter carrier.

To continue providing uninterrupted mail delivery to you while protecting our letter carriers, the Postal Service requests your assistance. **Please confine your dog or keep it on a leash — away from the path your carrier uses to deliver your mail.**

We appreciate your cooperation.

### Expressing Concern (Spanish)

Apreciado Cliente Postal:

Su cartero se siente muy orgulloso de darle un servicio de entrega diario, con mucha rapidez y eficacia. Eso significa el tener un acceso sin interferencia de su mascota cuando su cartero se dirige hacia su buzón de correspondencia.

A pesar de que se desconoce si su perro(a) halla mordido a alguien o que represente peligro a otras personas, su cartero ha expresado una preocupación debido al comportamiento de su perro(a). Pensamos que usted entenderá esta preocupación ya que cada año miles de carteros han sido mordidos, o físicamente atacados por perros. Muchos de estos ataques han causado heridas serias.

Esta carta es para informarle a usted que estamos muy preocupados de que su perro(a) tenga la tendencia de atacar, morder, o herir a su cartero.

Para proveerle a usted un servicio sin interrupción, y a su vez proteger nuestros carteros, el Servicio Postal le pide cordialmente su ayuda. **Porfavor mantenga su perro asegurado — ya sea en su casa o detrás de la cerca con un collar que le impida la posibilidad de hacer daño a alguna persona — tambien manténgalo fuera de la ruta que su cartero utiliza para llevar su correspondencia.**

Apreciamos mucho su cooperación.

**Compliance (English)**

Dear Postal Customer:

## Postmaster Outreach Speech to Students

### Dog Attack Prevention Speech for School Children – grades K-2

**[Make the presentation light and fun. Even though this is a serious subject, children will respond to a friendly and approachable adult.]**

Good morning boys and girls.

My name is **[Name]** and I'm your postmaster. **[Tell the children what a postmaster is/does.]**

I am here today because I have a message from Postal Pup! **[Open a letter in an envelope with this message.]**

Postal Pup needs your help!

I am going to read you a message from Postal Pup:

Hello Kids! Postal Pup here!

Your mail carrier loves delivering your mail but sometimes your dogs don't love the mail carrier. Some mail carriers have to go to the hospital because of dogs in the neighborhood and that's no fun, right? As dogs, we love our human families, but when we see the mail carrier, we can get overprotective.

If you are in your yard and the mail carrier wants to hand you a letter, what does that look like to you? **[Reach to a child and hand them a "letter" – wait for excited response.]**

I know it seems okay, but your dog doesn't know you're okay. If your dog doesn't know you're safe, he might bite the mail carrier. Ouch! You must let your mail carrier place the mail in your mailbox.

Our job as dogs is to protect each and every one of you, the ones we love. Sometimes when we are overprotective, we bite the mail carrier to protect you. Some days, we are tired, cranky, or hungry and we get into a bad mood – just like our human families.

A lot of mail carriers are being bitten by dogs each year, and I need your help to make sure your mail carrier is safe. The best way to keep your mail carrier safe is to make sure your dog is away from the door when the mail carrier comes to deliver the mail.

If you go outside, make sure your dog doesn't get out. Always close the door behind you when you leave the house. If you are outside with your dog, make sure your dog is away from the mail carrier and on a leash so the mail carrier cannot get hurt. Always be kind to your dog and all dogs.

Take these safety tips home and share them with your family. **Last but not least, as a way to remember this safety talk – say it with me: "When you see your mail carrier every day, make sure your dog is put away."**

Thank you for letting me speak to you today. Have a great and safe rest of the year!

## Coloring Page for Students

Postmasters can use the coloring page as a fun, informative way to raise awareness about dog bite safety. Children can bring their artwork home to their parents for discussion. Also, postmasters can collect artwork to display in the lobby or on the workroom floor for carrier encouragement.

Don't let your dog bite the hand that serves you.

## Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international Postal Service money orders.
2. Check that the proper security features are present:
  - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
  - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
  - When there is discoloration around the dollar amounts, this might indicate the amounts were changed.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at [usps.com/shop/money-orders.htm](https://usps.com/shop/money-orders.htm).

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

## Other Information

### Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks must use the table with the Retail System Software terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply.

The entries under “Changes” appear in bold in the following APO/FPO/DPO table:

The G Fund is managed internally by the Federal Retirement Thrift Investment Board. Assets of the F, C, S, and I Funds are managed externally. The Board currently has contracts with BlackRock Institutional Trust Company, N.A., to manage the F, C, S, and I Fund assets. The F, C, S, and I Funds invest in commingled trust funds, in which the assets of tax-deferred employee benefit plans are combined and invested together. The F, C, S, and I Funds and the BlackRock funds are passively managed index funds.

Future performance of the funds will vary and may be significantly different from the returns shown above. See the *Summary of the*

*Thrift Savings Plan* for detailed information about the funds and their investment risks. The monthly returns of the TSP Funds represent net earnings for the month after deduction of accrued administrative expenses and, except for the G Fund, after deduction of trading costs and accrued investment management fees as well. The returns for the four indexes shown do not include any of these deductions.

\* Implemented May 2001.

## Freely Associated States Restrictions

We list the mailing restrictions for Freely Associated States (FAS) in the Pull-Out section of the *Postal Bulletin*. All FAS Restrictions will be updated periodically.

### Freely Associated States

Mail addressed to freely associated states is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The following FAS Restrictions table outlines these conditions as listed by each affected FAS ZIP Code™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) following the table). For more information on available extra services for FAS destinations, see *Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM®)*, part 503.

Acceptance clerks must use the table with the Retail System Software terminal to determine which FAS ZIP Codes are active and which conditions of mailing apply.

## USPS National Dog Bite Awareness Campaign, June 2–9, 2024 (continued)

**Non-delivery of Mail Policy:** Collection and delivery service personnel are to report the name and address of the customer where such interference occurs to the postmaster or authorized supervisor, who must immediately telephone the customer (if possible) and request that the animal be confined during the usual delivery hours in the neighborhood. The postmaster or authorized supervisor must further inform the customer that:

- No deliveries will be made until this is done; and
- Service will be restored upon assurance that the animal will be confined.

**Officer in Charge (OIC):** A career employee appointed temporarily to fill a postmaster vacancy during which the accountability of postmaster is transferred to that employee.

**Package Pickup:** Available on [usps.com](https://usps.com), customers can let the organization know if a dog is present at the customer's address. USPS® will send the information to letter carriers' MDDs.

**Parcel:** Mail that does not meet the mail processing category of letter-size mail or flat-size mail. It is usually a package or an item enclosed in a mailing container, such as a carton.

**Postmaster:** The manager in charge of a Post Office®.

**Postmaster General:** The chief executive officer of USPS, who is named by and serves at the pleasure of the Board of Governors. As a member of the Board, this officer appoints the Deputy Postmaster General jointly with the Board.

**Rural Carrier:** An employee assigned to case, deliver, and collect mail using a vehicle along a rural route and to provide most services available at a small Post Office.

**Rural Carrier Associate (RCA):** A non-career bargaining unit employee assigned as a leave replacement on rural routes during the absence of the regular rural carriers.

**Satchel:** A general term for the pouch carriers use to carry mail. Sometimes used informally to describe a carrier's mailbag. As of 2002, many carriers prefer the traditional single satchel, which offers better protection from charging dogs.

**Warning Letter:** Letter to alert dog owner(s) to the possible loss of mail delivery if they do not restrain their pets.

### Fly Flags at Half-staff for Memorial Day

Memorial Day, a federal holiday to remember the men and women who died while serving in the armed forces, is Monday, May 27.

Facilities that are open on the holiday must fly the U.S. flag at half-staff.

The U.S. flag must be flown at half-staff from sunrise — or the hour when it's raised — until noon. Then, hoist the flag to the peak of the staff, where it either must fly until the time of closing or no later than sunset (unless the flag is lighted).

When the U.S. flag is flown at half-staff, all other flags must fly at half-staff, too.

Facilities that fly the flag at all times and are closed Memorial Day should lower the flag to half-staff when the facility closes before the holiday. Return the flag to full staff when the facility re-opens Tuesday, May 28.

The USPS® *Administrative Support Manual* has guidelines for U.S. flag display and maintenance (see [blue.usps.gov/cpim/ftp/manuals/asm/html/asmc4\\_019.htm](https://blue.usps.gov/cpim/ftp/manuals/asm/html/asmc4_019.htm)).

## Environmental Management

### Refrigerant Management Compliance Reminder

When released, refrigerants can be harmful to the environment. Refrigerant-containing equipment (e.g., chillers, air conditioners, fire suppression systems, drinking fountains, refrigerators, and freezers) at postal sites must be managed in accordance with Postal Service™ policy and regulatory requirements. This includes requirements for training, handling, recordkeeping, and disposal. Requirements apply to both Postal Service employees and contractors performing maintenance on USPS® equipment.

Follow these requirements for proper refrigerant management:

- Never vent or release any refrigerants into the atmosphere for any reason.
- Maintain required documentation, including:
  - Records of system maintenance, service, and repair, particularly those documenting refrigerant addition or removal.

**Note:** Sites must obtain and maintain records from contractors who service refrigerant-containing equipment. The contractor records need to show the work that was done, including any refrigerant removals and additions, not just contractor hours on site.

  - Individual service logs and leak rate calculations whenever refrigerant is added for systems containing more than 50 pounds of refrigerants.
  - Training records.
  - Regulatory air permits and related fees.
- Investigate refrigerant leaks and repair leaking equipment immediately.

- Complete required training and obtain Environmental Protection Agency (EPA) Technician Certification:
  - Employees that maintain, service, or repair refrigerant-containing equipment must be certified, including employees who service motor vehicle air conditioning systems.
  - Employees that purchase refrigerants may require certification.
- Manage refrigerant storage cylinders properly:
  - Store in a centralized, secure location that is restricted to authorized employees only.
  - Purchase and use cylinders that are certified by the Air-Conditioning, Heating, and Refrigeration Institute (AHRI) and Underwriters Laboratories (UL).
  - Clearly label refrigerant cylinders to identify their contents.
  - Document each cylinder purchase and use of the refrigerant.
  - Only use recovery cylinders that are within 5 years of their last certification.
- Dispose of refrigerants, refrigerant containing equipment, and cylinders properly:
  - **Refrigerant equipment.** Evacuate refrigerants and tag equipment as empty. Dispose using a local waste management/scrap vendor and keep disposal records.
  - **Refrigerants/Refrigerant-containing cylinders.** Recycle waste refrigerants using an EPA-approved reclaiming. Keep records of off-site shipments. Never send refrigerants for disposal and never mix refrigerant types in the same cylinder.

- **Empty refrigerant cylinders.** Label as “EMPTY” and recycle with other steel recyclables at local steel recycling center. Never reuse non-refillable cylinders.

### USPS Allows Special Activities to Promote Semipostal Stamps from September Through December

USPS employees can order semipostal stamp T-shirts May 15–August 15.

The Postal Service™ is reminding managers and employees of the rules for promoting semipostal stamps. Each year, the organization sets aside 4 months to promote these stamps, which raise money for the associated causes:

- September for the *Alzheimer's* stamp at [store.usps.com/store/product/buy-stamps/alzheimers-S\\_564204](https://store.usps.com/store/product/buy-stamps/alzheimers-S_564204).
- October for the *Breast Cancer Research* stamp at [store.usps.com/store/product/buy-stamps/2014-breast-cancer-research-S\\_555304](https://store.usps.com/store/product/buy-stamps/2014-breast-cancer-research-S_555304).
- November for the *Save Vanishing Species* stamp at [store.usps.com/store/product/buy-stamps/savevanishing-species-S\\_576674](https://store.usps.com/store/product/buy-stamps/savevanishing-species-S_576674).

- December for the *Healing PTSD* stamp at [store.usps.com/store/product/buy-stamps/healingptsd-S\\_572104](https://store.usps.com/store/product/buy-stamps/healingptsd-S_572104).

USPS® facility leaders and employees can promote semipostal stamps during those months but must follow these rules:

- Raffles and drawings are allowed if everyone can enter for free without having to buy a postal product, the prizes have been donated voluntarily by employees or paid for with authorized postal funds, and the promotions are held for each semipostal stamp.
- Decorations can't use stamp images, including images of the semipostal stamps being promoted.

- The phrases “Fund the fight. Find a cure” and “#Postal-Proud” or “Postal Proud” can be used on decorations for *Breast Cancer Research* stamp activities, as can the Postal Service pink ribbon image, which is available from the USPS Ethics and Legal Compliance team.
- When communicating with the public and news media, employees may only use articles, press releases, and marketing materials that have been approved and provided by Corporate Communications, Stamp Services, and Marketing.
- Outside organizations can’t distribute materials related to the semipostal stamp’s cause or hold awareness or charitable activities in Post Office<sup>®</sup> lobbies or on postal property.
- USPS employees may not solicit or accept donations from customers.

Employees can order T-shirts (at their own expense) from Tee Luv at [tee-luv.com/collections/usps](http://tee-luv.com/collections/usps), from Wednesday, May 15, through Thursday, August 15, using password USPS2024, to promote semipostal stamps.

Uniformed employees can wear the Postal Service’s licensed semipostal stamp T-shirts during promotional activities, with the head of the facility’s approval, on one business day each week.

Other employees may wear the T-shirts during work hours, if permitted by the head of the facility. The T-shirts worn must correspond to the semipostal stamp that is being promoted.

Employees with questions about semipostal stamp promotional activities should email the USPS Ethics and Legal Compliance team at [ethics.help@usps.gov](mailto:ethics.help@usps.gov).

## Information Security

### Do Your Part and Be Aware of Insider Risks

The Postal Service<sup>™</sup> asks employees and contractors to be vigilant regarding insider threats. An insider is any person who has or had access to or knowledge of an organization’s resources, which include personnel, facilities, information, equipment, network, and systems.

Insider risks can be the misuse of information technology, unauthorized disclosures of information, or other activities that are detrimental to the individual and the organization.

Some examples of insider threats include:

- Unauthorized use of portable electronic devices like USB thumb drives.
- Disclosing restricted postal information on the internet or public domain.
- Unauthorized escalation of privileged access.
- Unlawful retention of postal property or information.
- Deliberate disregard for information security and cyber policies.

These types of threats could jeopardize the organization and put our stakeholder’s reputation at risk. It is important that employees and contractors do their part and report these types of threats.

If you observe or witness insider threat activity, please file a report by emailing the Insider Risk Program at [insider\\_risk@usps.gov](mailto:insider_risk@usps.gov). If you notice individual(s) posing an imminent danger to Postal Service assets or personnel, please call USPIS directly at 877-876-2455 (option 2).

## Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears on the following pages. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office® station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark must affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed next to the postmark.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

### How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 120 days to obtain the first-day-of-issue postmarks by mail. Each cover must have sufficient postage to meet First-Class Mail® requirements. Customers may purchase new stamps at their local Post Office®, by phone at 844-737-7826, or on The Postal Store® website at [usps.com/shop](https://usps.com/shop).

#### Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service™ recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16-inch side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches (vertically) by 4 inches (horizontally). Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a 50-cent charge per postmark at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of

their postmarked items. Address customer requests for digital color postmarks to:

FDOI – (Name of Stamp Issue)  
USPS Stamp Fulfillment Services  
8300 NE Underground Drive, Suite 300  
Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail®.

#### Traditional Postmarks

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for traditional postmarks to:

FDOI – (Name of Stamp Issue)  
USPS Stamp Fulfillment Services  
8300 NE Underground Drive, Suite 300  
Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers must submit a check, money order, or credit card for payment.

Locally produced items are not authorized. Only merchandise that has been approved and assigned an item number by Headquarters Retail Marketing may be produced and sold.
